Gleanings From the Wayside

We are grateful to him who controls the elements for the early and latter rains and the bountiful products of the fields. May showers of spiritual blessings fall upon the uncultivated fields that they may bring forth much fruit for the Master's garner.

We just returned from Salem where we had been called to officiate at the nuptial feast of Brother Webb. The work in our charges at Lapaz and Poplar Grove is moving on. We were unanimously called as pastor for the fourth year at the latter place at the last business meeting. Hope it may be a pleasant year for all concerned.

While at brother Albert Moores over night we acknowledge a visit from quite a number of brethren and sisters from the Darwin congregation and was appreciated very much. How much we could help each other along up life's rugged steep if we would. Brethren, pray for us that we may be of some service in the Master's field. WM. W. SUMMERS.

Harvest Home Meeting

The brethren of the Poplar Grove church, Ind., will hold their annual Harvest meeting the first Sunday in August. A cordial invitation is extended to all. Come and enjoy the service.

WM. W. SUMMERS, Pastor.

Picnic

The Brethren Sunday-school of Homer, Ohio, Medina Co., will have a picnic on Saturday, August 4, 1900, at 10 A. M. in D. J. Myers' sugar grove one mile north-west of the Homer church. Everybody invited. Bring your baskets well filled with good things to eat, (young yellow legged chicken included.) Tables will be furnished with suitable linen. Come, have a good dinner and a good social time in the shade of the sugar trees. We expect to have our Sunday-school at the same place on next day, August 5, at 9:30, A. M. Don't fail to attend all of these meetings. It is needful to have food for the soul as well as the body. I feel confident that our pastor will use his best judgment, and make an effort to entertain as well as instruct us in the way of the Lord. Again I repeat, come. D. J. MYERS.

WHAT SHALL WE DO WITH OUR STOMACHS?

IS A QUESTION OF VITAL IMPORTANCE.

The best informed physicians advise the use of Adamur Dyspepsia Lozenges, which are not a patent medicine but a favorite prescription that we found from years of experience in prescribing for stomach troubles to be wonderfully reliable. We find in treating great numbers of cases of chronic diseases that this combination is indicated in at least four out of five cases and is the foundation of the most successful treatment that has ever been devised. We can do no better for persons who cannot come to the Sanitarium than to recommend a thorough trial of this prescription which is put up under the name of Adamur Dyspepsia Lozenges simply to designate or identify the prescription.

If you have ill-health, look to your stomach for the cause. Do not stop half way. Do not suppose it's the heart, or the liver, or kidneys, or constipation, or piles, or the nerves. It is a deranged digestive function that causes the heart to palpitate, that causes liver troubles, that wears out the kidneys, that causes piles and constipation, and distracts the nerves. When our stomachs are restored to their original or natural condition, we are well.

Nine out of every ten cases of chronic disease originate in a deranged digestion. No matter whether it be rheumatism, kidney disease, constipation, nervous troubles, scrofula, or any other form, they all begin with some form of indigestion. The formation of gas in the bowels is an indication of indigestion, but is generally unheeded until a more serious form of the trouble occurs, and so with many other symptoms.

Some of the most intelligent and successful physicians in the state of Michigan use and prescribe Adamur Dyspepsia Lozenges. We have thousands like the following to substantiate our statements:

SOUTH BUTLER, BRANCH CO., MICH.

ADAMUR SANITARIUM CO.,

Gentlemen: I am glad to say that Adamur Dyspepsia Lozenges have helped me more than any medicine I have ever taken. I have doctored with different doctors for about three years and could get only slight relief for a short time. Have only taken three boxes of Adamur Dyspepsia Lozenges and feel perfectly well. I can eat anything I want without feeling any distress from it whatever.

MRS. NETTIE CAREY.

If a person has a coated tongue, bitter taste in the mouth, regurgitation of food, sick or nervous headache, constipation, offensive breath, heart-burn, unnatural craving for food or lack of appetite, sallow complexion, disturbed sleep, feels irritable, anxious, or apprehensive, eructation of gas, nausea after eating, weight or fulness in the region of the stomach, pimples on the face, cold feet and hands,

lack of energy and strength, have blind or dizzy spells, bilious or any unpleasant sensations in the region of the stomach, the use of Adamur Dyspepsia Lozenges will allay the symptoms and produce that sense of comfort, contentment, and courage that only a person with a good stomach is permitted to enjoy.

Doctor Wingate says: "No harm can result from the use of this valuable prescription. I have been surprised and delighted by the prompt and lasting benefits derived, and cheerfully recommend it to sufferers from the various forms of indigestion."

To persons who cannot come to the Sanitarium, we suggest a trial of this valuable preparation.

For sale at drug stores at 50 cents for a large size box. Accept no substitute for there is no other remedy as good.

To Quickly Introduce this marvelous remedy, we will, for a limited time, send one full size 50-cent box by mail free upon receipt of twenty-five cents; or, five boxes for \$1.00. As soon as the lozenges have been advertised, the regular price of 50 cents will be restored. Send today. Correspondence solicited from persons suffering with any form of chronic disease. Consultation free and confidential.
